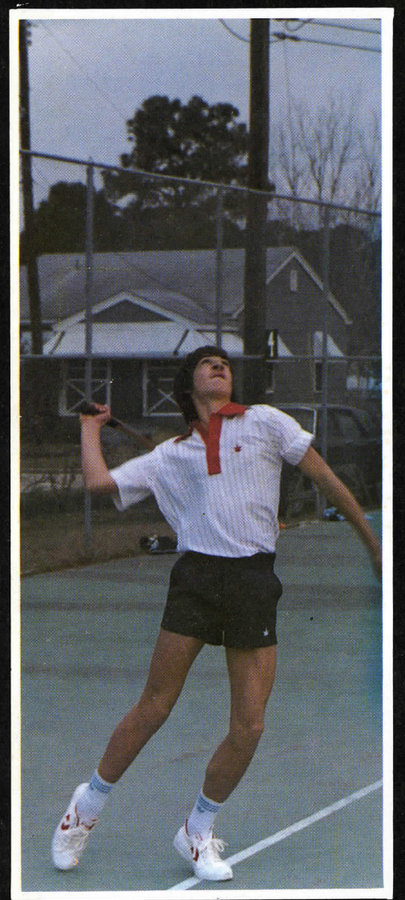
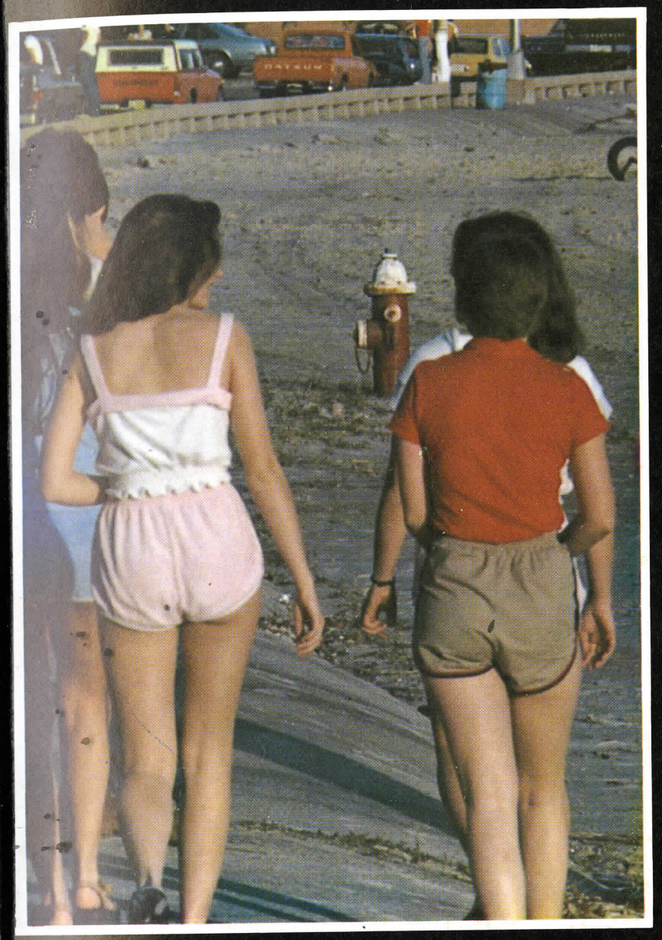
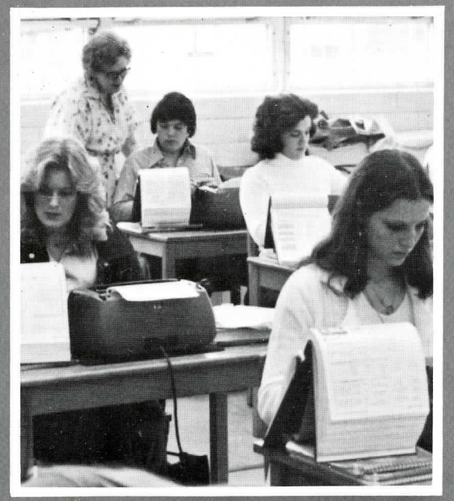
High School Is Not Preparing For Life

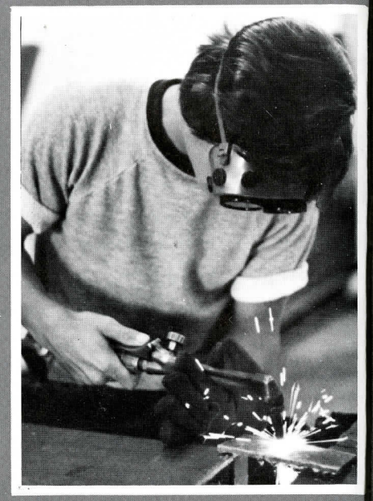




It Is The World . . .

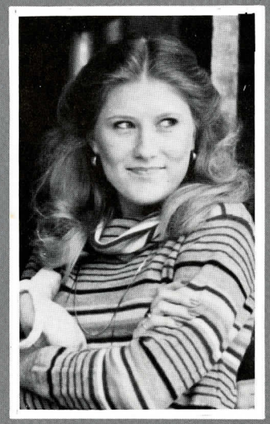
The World Of Work,

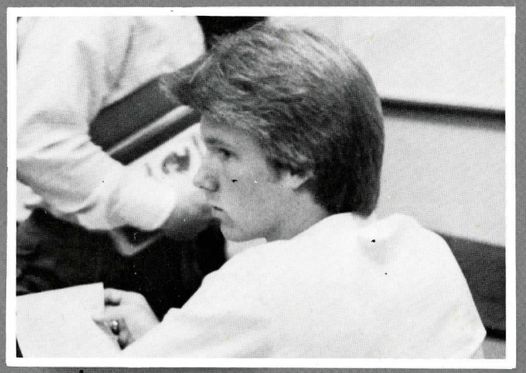


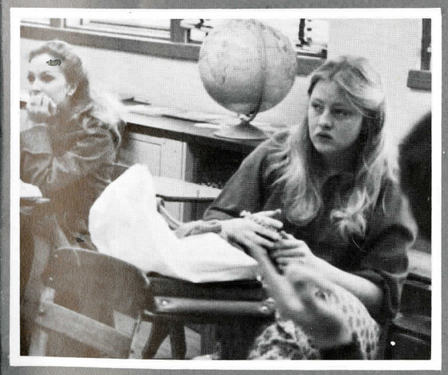


The World Of Play,

The World Of Reflection,

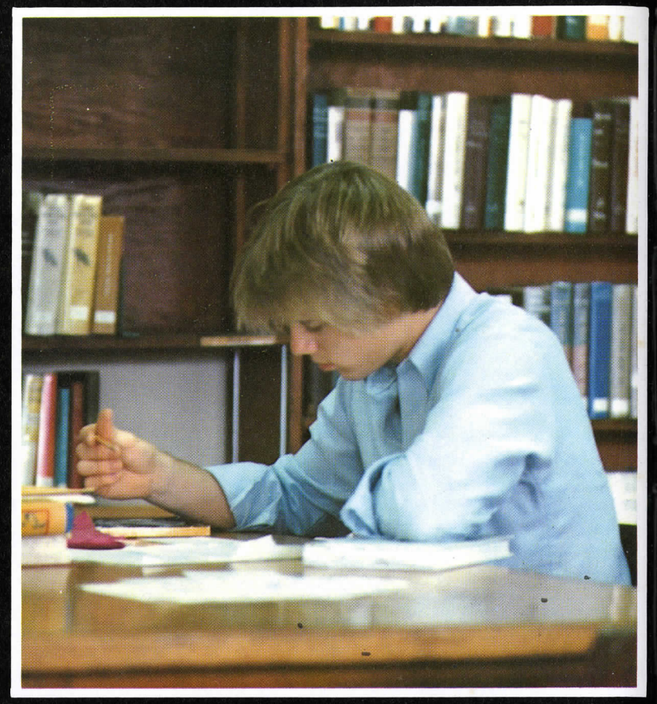






The World Of Anticipation,

The World Of Disappointment,

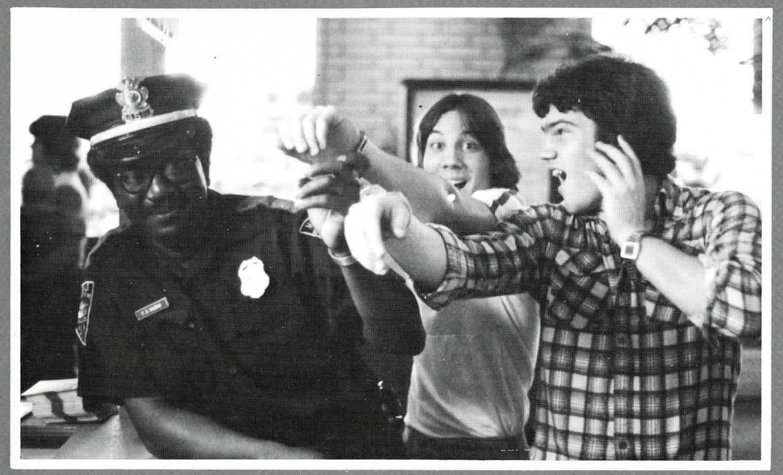


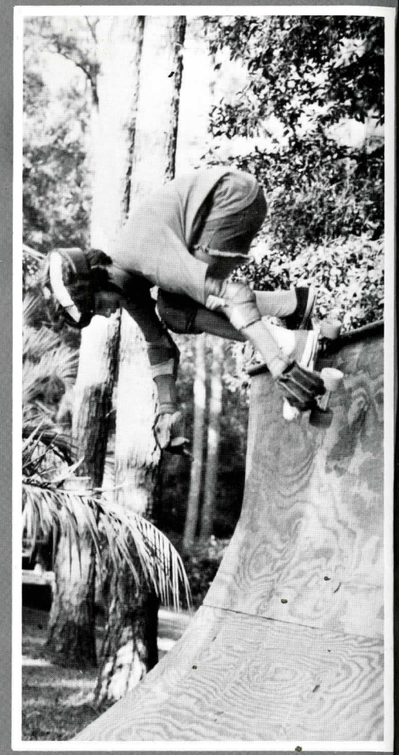
The World Of Bliss.

We Experience Risk;

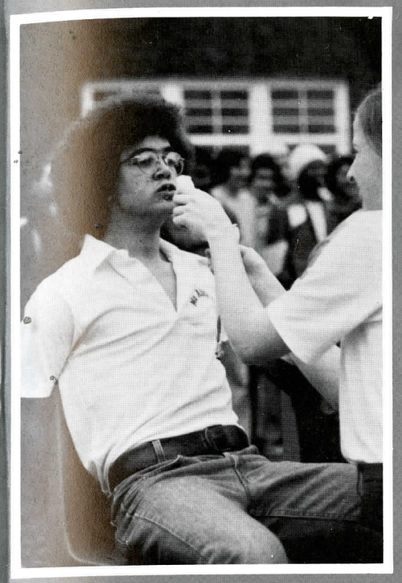
We Experience Security.

We Accept Ourselves,

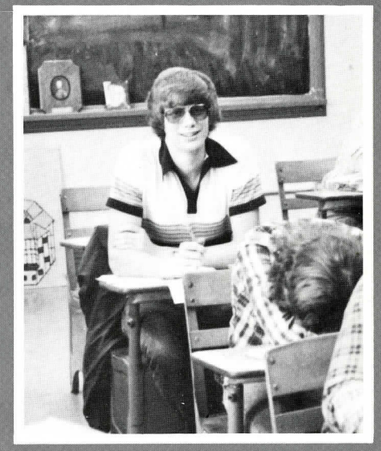


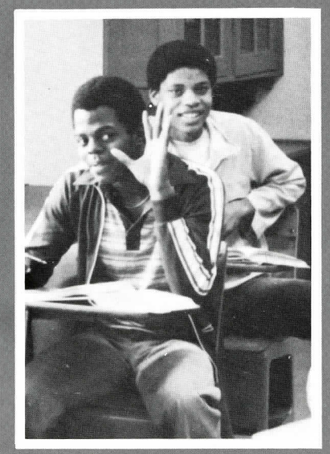


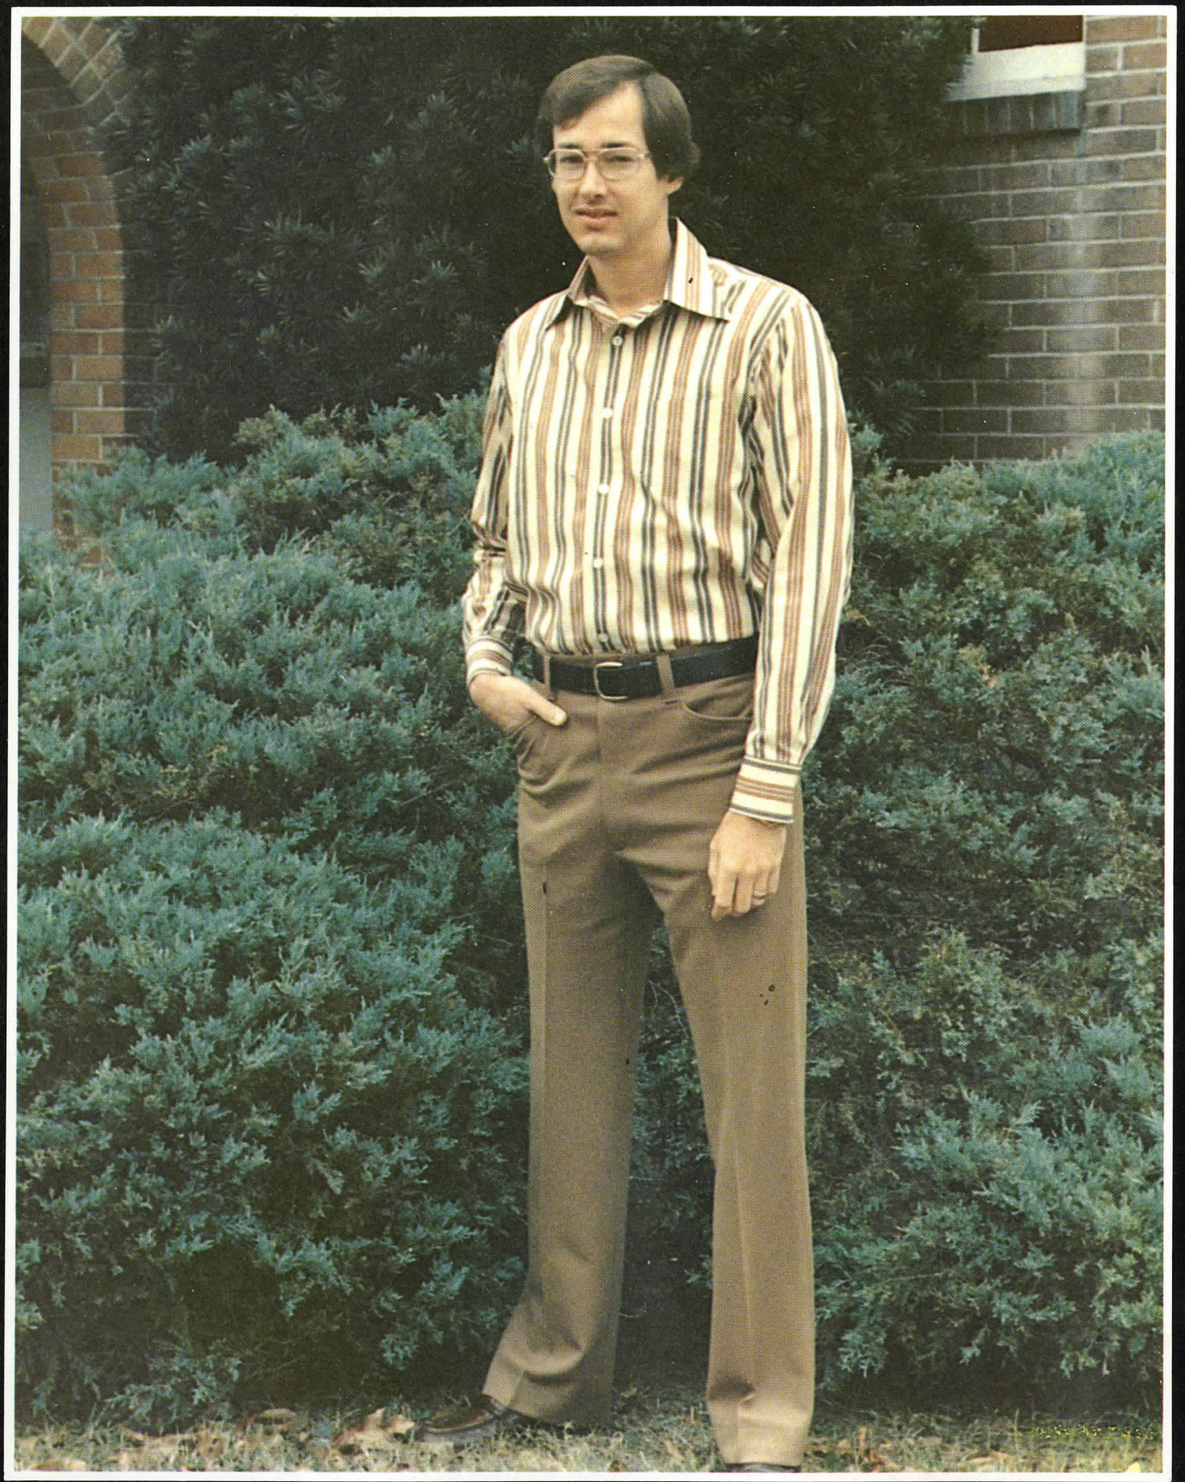
We Accept Others.



We Live!

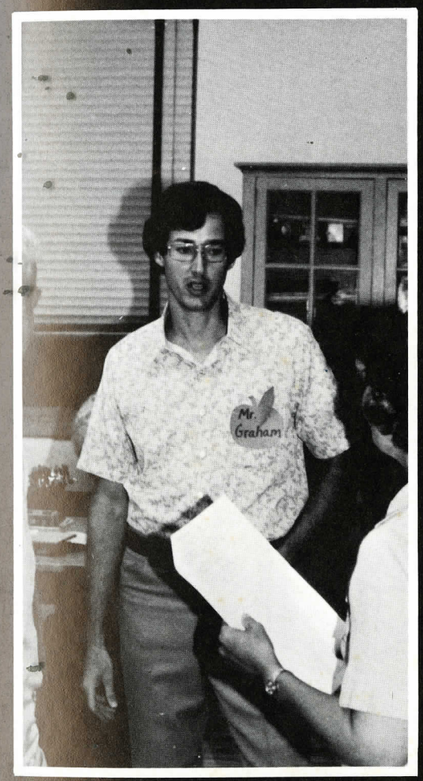


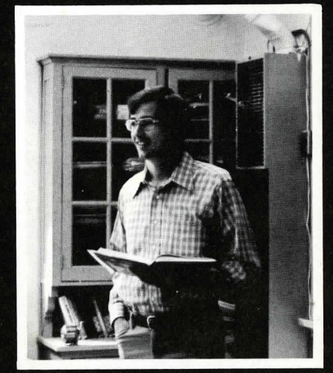




DEDICATION

Mr. James Graham





James (Uncle Jim) Graham is a special kind of teacher. His work extends beyond his 30′ x 25′ classroom, and he teaches us a lot more than math. As senior class sponsor, Mr. Graham worked with energy and enthusiasm on everything from float building and magazine sales to commencement ceremonies. He became an integral part of his students' high school experience as he broadened his abilities beyond purely academic horizons. So we dedicate the 1979 PANTHER to you, Mr. Graham: teacher, leader, counselor, and friend.

The Choraliers, an auditioned mixed chorus, which has been in existance at PHS for many years, has always received superior ratings at District Festival. It has an excellent reputation as an outstanding choir.

This year, under the direction of Ms. Marilyn McBride, the group continued to maintain its high standards of performance. The group presented four concerts, as well as performing for many civic groups and clubs. The outstanding event of the year was an invitation to the International Choral Festival. Thanks to the CPA, the Choraliers were able to attend State Contest, for which they received an award of excellence.

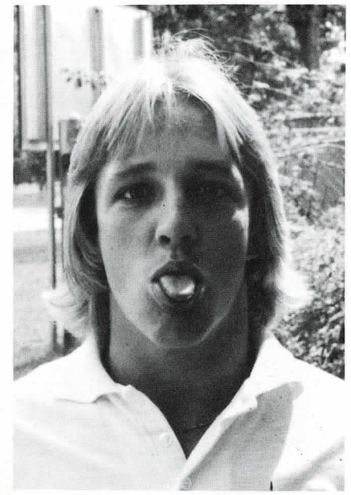
Graduation



Hall of Fame

Mary Boardman

Dedicated is the term to describe Mary Boardman. She has faithfully served in the *Panther Pen* staff for two years. She has been quite active in both Choraliers and Teen-Age Republicans. Mary also received a University Merit Scholarship, and in the fall will attend Oral Roberts University. A hard worker, Mary will be remembered by all.

Beverly Branch

Spirit is the word which comes to mind when one thinks of Beverly Branch. For three years she has led Panther cheers, serving this year as Head Football Cheerleader. She served as a delegate to Girls' State, participated in *Arsenic and Old Lace* was elected Miss PHS, and held membership in NHS, to name a few honors. Her enthusiasm will long be remembered.

Hall of Fame

Kim Epting

Versatility is used to describe Kim Epting. She diligently served as Junior Class President last year. She has worked hard this year on the Annual Staff, serving as Ad Manager. She was elected Class beauty for two years, a Key Club Sweetheart, and this year won the Student Council award. We wish Kim well in her studies at Ole Miss next year.

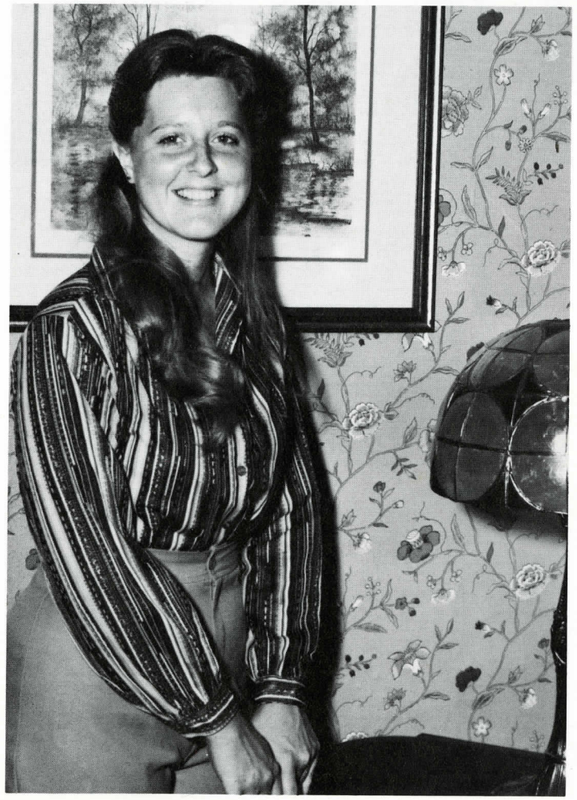
Alan Ezell

Sports is the term which sums up Alan's claim to fame. He lettered in both football and baseball, and also served for three years as a member of Key Club. He also was a member of FCA. Alan will long be remembered for his contributions to PHS.

Hall of Fame

Diana Collins

Diana has distinguished herself this year as editor of the *Panther Pen,* and she was rewarded for her efforts with this year's Journalism award. Diana also served as an officer in the student Council, as president of the French Club, was a member of both NHS and Mu Alpha Theta, was a recipient of the Anol Award, and was one of five students to graduate first in the class. Diana should do well next year at USM.



Laurie Hamilton

Scholarship comes to mind when one thinks of Laurie Hamilton. Named a national merit finalist and a Presidential Scholar, she was also a member of NHS, TARS, Junior Civitan, was STAR student, and received the Senior Math AWARD. Millsaps will be happy to have Laurie next year.

Hall of Fame

Alicia McKinley

Alicia is perhaps one of the most underrated students at PHS. She was the President of Beta Club, Ad Manager of the *Panther,* member of the student council and Mu Alpha Theta, and served on the varsity tennis team. We wish Alicia the best of luck.

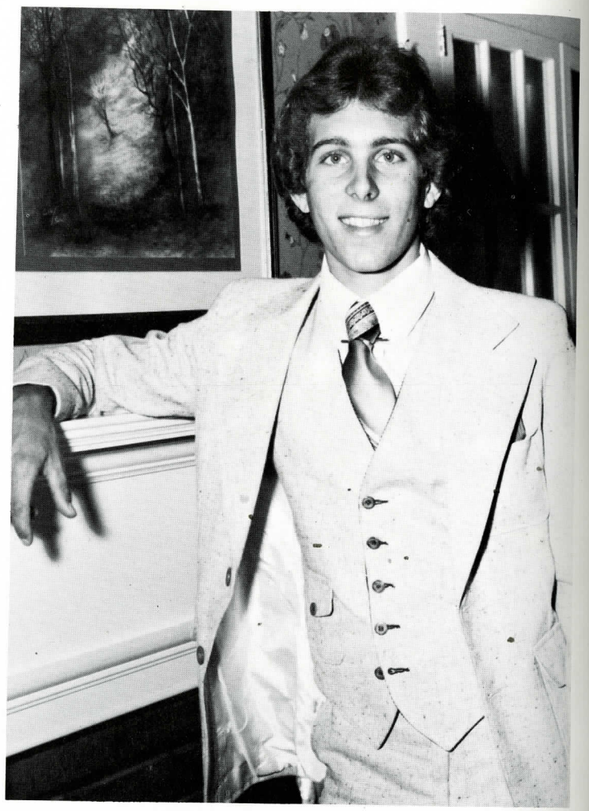
Susan McMurray

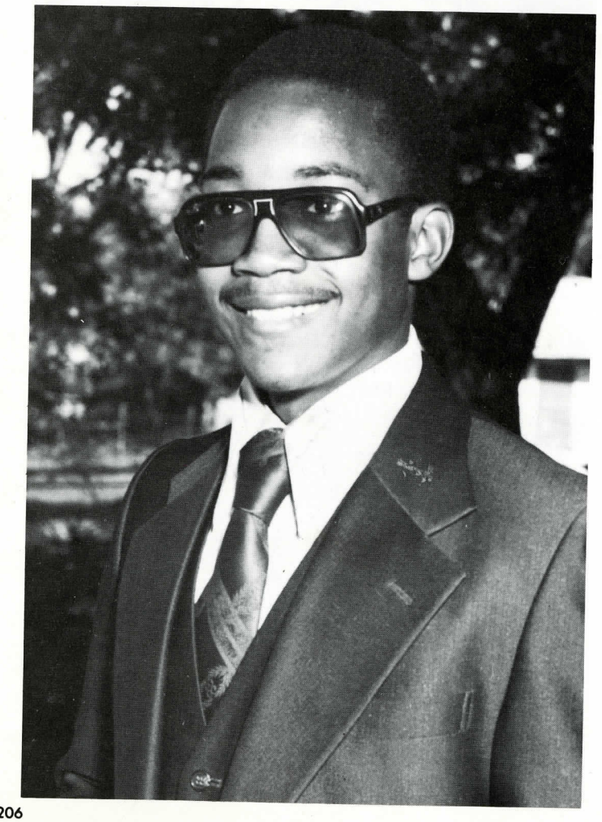
Outstanding is the word for Susan. She served as President of the Senior Class, leading the class to records in the magazine sale. She also was President of NHS, was a member of the Student Council, was Feature Editor of the *Panther,* past president of SPQR, and a distinction graduate. We wish Susan success next year at MC.

Hall of Fame

Marty Milstead

Superactive best fits Marty Milstead. Marty has faithfully served for two years as President of Key Club, been a member of the varsity basketball team for three years, serving as a starter for the past two years. He was a delegate to Boys' State, received the American Legion and Citizenship Awards, and was elected Mr. PHS. Marty should really be superactive next year at USM.





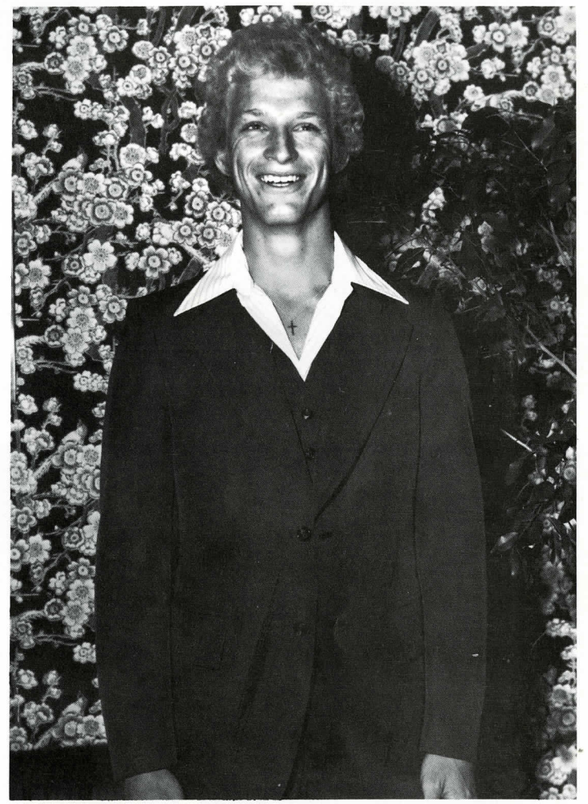
Peottra Pickett

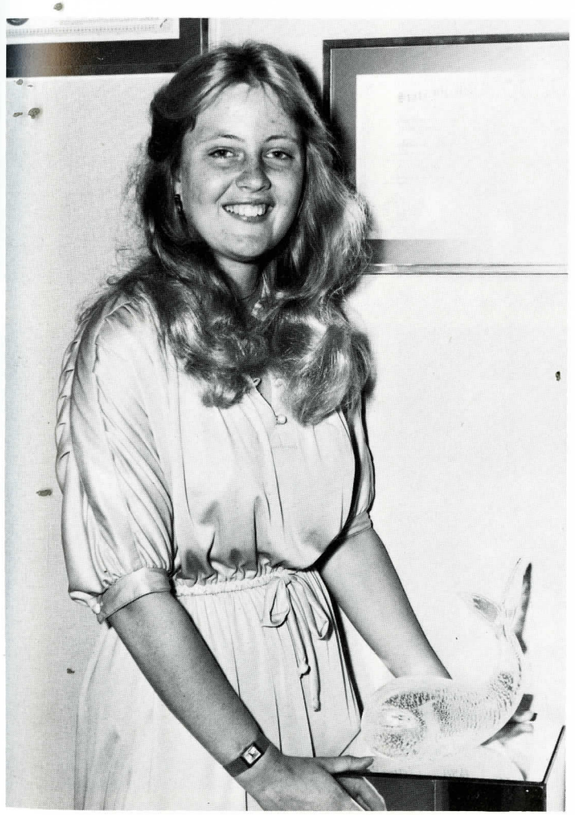
Stewardship comes to mind when one thinks of Peottra. He was quite an active member of the NJROTC, winning the John Paul Jones Award this year, and he won the Kappa Alpha Psi Award for leadership. He also was an editorial assistant this year on the *Panther*. We wish the best for Peottra in the future.

Hall of Fame

Ricky Rayborn

Sports came to mind when one thinks of Ricky. He starred for two years on the varsity basketball team and was a state winner in track awards, setting many outstanding records. Ricky was also active in FCA, and his jolly disposition in the halls of PHS won him many friends. Ricky will continually be a success in the future.





Berneta Walraven

Vivacious comes to mind when one thinks of Berneta. She has capably served this year on the *Panther Pen,* been a member of Student Council for three years (President this year). She fulfilled the duties for two years as District Secretary of junior Civitan, served this year as President of Spanish Club, President of Mask and Gavel, and held membership in TARS. We wish the best for Berneta.

Class Song

"Everything" by Barbra Streisand

I want to learn what life is for.
I don't want much, I just want more.
Ask what I want and I will sing,
I want everything, everything.
I'd cure the cold and the traffic jam,
If there were floods, I'd give a dam.
I'd never sleep, I'd only sing —
I want everything, everything.
I'd like to plan a city, play the cello,
play at Monte Carlo, play Othello, move into
The White House, paint it yellow, speak
Portuguese and Dutch and if it's not
too much, I'd like to have the perfect twin.
One who'd go out as I came in.
I've got to grab the big brass ring, so
I'll have everything, everything.
I'm like a child who's set free at the funfair.
Every ride invites me, and it's unfair saying
that I only get my one share.
Doesn't seem just, I could live as I must.
If they'd give me the time to turn the tide.
Give me the truth if once I lied.
Give me the man who's gonna bring more of everything.
Then I'll have everything, everything.
